June 18, 1958

To: The Federal Bureau of Investigations
From: [Redacted]

This is a summary of the Conference I attended of the United Independent Socialists on Friday, June 13th, 1958 at the Great Northern Hotel at 57th Street, N.Y. City.

Donations were accepted at the door, but apparently not required for admission. I was told I could enter as a "Delegate" or an "Observer", the former seeming as the thing to be, I said Delegate, my name and address was recorded, I was told I was "registered", was handed a card (attached), and was asked to drop a dollar ($1) in an opened box. This occurred at one of two tables where 4 men sat, apparently doing the same thing, "registering" people as they entered. My telephone number and occupation were also recorded.

Before entering the door I was handed a newspaper "The Worker" free of charge, and then just inside the door a mimeographed sheet titled "Welcome Delegates", (both attached).
The audience was about full at the onset of the conference at 8:45 P.M. At about 9:30 P.M. there were approximately 300 moderately well dressed and commonly dressed people.

The following is an account of the speakers in order of appearance.

1) 'Betty Sanders' played the guitar to "Oh Beautiful" to which no one stood but most all sang along.

2) 'Henry Abrams' - introduced as the chairman of the American Labor Party - and undertaking the job of what appeared to be Master of Ceremonies of a sort. He introduced most or all the other speakers. He himself gave a short speech concerning Socialism and how this (the U.S.) country would be a happier country with Socialism. That this (Socialism) was the only answer to the nation's problems.

He quickly went on to read a list of the officers to be elected, (it was not quite clear to me what the officers were for) and after again quickly saying "All in favor, say aye", and half the audience responding favorably, then quickly saying "all opposed", and no response; The mentioned Officers were then declared unanimously elected. This election took place within no more than 3 minutes including the reading off of the names.

3) 'Victor Hanan' - introduced as the chairman of the Young Socialist Alliance. He greeted the audience with 'Comrades'. His short speech (about 5 minutes) stated that he was fighting for the right to a) Give out Socialist Literature and b) Assemble in public meeting. This man spoke quite forcefully and in his speech mentioned that there would be an 'Open House' on Sunday afternoon at 144 Second Ave, N.Y. City.
4) "Mrs. Muriel Mcabee" - introduced as wife of the chairman of the Socialist Unity Forum. She stressed "full ticket of the Independent Socialist Campaign."

5) "Benjamin J. Davis" - introduced as the Chairman of the N.Y. State Communist Party. This man was said not to have been on the schedule for the evening, that he just happened to be in the audience. He spoke the longest and perhaps the most forceful of all, raising his voice at times and swinging his arms in anger (?). He said that the Communist Party was guided by the principles of Marxism and Leninism. That he fought for "peace, civil rights and civil liberties." He mentioned that N.Y. City was the "hottest spot in America" in reference to radioactive fallout. That everyone should fight for peaceful co-existence. That this country needs and is having a mass movement towards Socialism. That in Harlem there was a political revolution taking place. That all should fight for Independent Political action.

6) "Miss Joyce Haley" - introduced as 1957 Socialist Worker Party Candidate. Spoke of the United Independent Election Conference. Also on the Socialist Campaign in California where there were 40,000 votes for the Socialists. That in America there was a one party system because both parties (Democrats and Republicans) represented the same class of people and not the workers. That this (the conference) was a step towards a Labor Party movement. She spoke also about slum housing and segregation. She said that they must win the working class to struggle for a Socialist future.

7) "Betty Sanders" - (same guitar as #1 abovementioned) with guitar played, a) "Union Miner" a 'Spiritual' then b) A French song sung in French. c) "For our Land" - By Robert Burns, d) "For
all that", e) "Come and Go With me to That Land"
- 'spiritual' - mentioning "No Jim Crow in that
land, and peace and happiness in that land."

8) Henry Abrams - read greetings from 'Dr. Douglass E. B.
Davoe' and 'Mrs. Rockwell Kent'. - Tim Wolf,
managing editor of ? Young Socialist Alliance.
Richard Dohan, chairman of Young Socialist Alliance.

9) Sydney J. Gluck - Spoke on the following.
Workers should find their way to socialism. Workers
should join the Independent Voters. That the
Democratic Party was the 'lesser of the two evils'
- that there were certain co-illusion within the
Democratic Party. That new alternatives are to
be established. That the Communist, Labor,
Socialist, and Independent Parties should join
forces and become one.

10) John T. Mcmanus - Introduced as the Editor of the National
Guardian

11) Dr. Yvette T. Rubenstein

12) John T. McManus again spoke and collection of
donations began by soliciting who was to
give first tens, fives, ones, in showing of
hands.

Seven envelopes were circulated about the audience
and including a $100.00 pledge, I would estimate roughly
that approximately $400 was collected in all.

13) 'Vincent Halliman' - introduced as having come from
California to speak here. Spoke about the Holln
Roberts Campaign of California. Stressed for
what it failed to do. That Holland Roberts was
induced to run for Superintendent of Education'. That the entire campaign cost $5,000. Twice that amount would have been all needed for success of the campaign. Mentioned that the following member of the British Parliament "would come to the U.S. to speak of Socialism around the country. Earl McCabe, Steven Swinger, and Harold Davis.

I left before the end as it was already 10:45 P.M. with about 1/4 of the audience.

Note: I took notes throughout the conference as this was encouraged.

Respectfully submitted,

A copy of informant's report follows:

June 18, 1958

This is a report of a meeting held in Sunnyside, L.I. (Sunnyside Garden, Queens Blvd. at 45th Street) on June 17th, 1958, under the auspices of the Queens Committee For a Sane Nuclear Policy.

The main speakers were: Dr. Linus Pauling, Carey McWilliams, Editor of The Nation, and Trevor Thomas, Ex. Sec., Natl. Committee for a Sane Nuclear Policy. An unannounced speaker was Robert Gilmore of the American Friends Service Committee. Also unannounced were two professors from Queens College, names unknown. The latter may account for the large number of young people of high school and college age present, most of whom listened intently, made notes and applauded vigorously.

The line was so much the same, there is no point in repeating it. Again, stress was laid on the fact that Dulles seems to be coming around to their way of thinking.

A telegram was read from Congressman Lester Holtzman (D-Lib) of Queens. It was a very long message, congratulating them and endorsing their program.

It is estimated that about 1000 or better persons were present. To start the usual collection of funds off, it was announced that they had a check for $25. from the Little Neck-Douglaston Committee, then the chairman said "Who wants to contribute $20...there was only one $20 contributed; several tens and fives..." Considering the crowd, this may not seem to be a good showing, but I repeat, there were many young people present.

The chairman announced a meeting to be held soon in the McNerney Branch, YMCA, 215 West 23rd Street, New York, N.Y. ALSO, one in F.S. 178, 18th Street, Jamaica, June 25th. speaker Dr. Harry Lustig. ALSO, one at 35-64 - Eightieth St.
Jackson Heights, Apt. 2-H., at the home of Kenneth Lenahan -
telephone TW 8-9456;
ALSO at the Good Citizenship Bldg., Northern Blvd.,
Flushing on June 24th, ...remarked that this group got its
start at the FRIEND MEETING HOUSE in Flushing.

Circulars were distributed to "STOP NUCLEAR GIVE AWAY BILLS",
namely, Senate Bill 3612 and House Bill 12710 - "TELEGRAPH
OR WRITE AT ONCE". The LINE here was to "ASK FOR FULL DEBATE
ON BOTH BILLS AND INDICATE OPPOSITION TO IT."

In addition to the literature available, there were stacks
of THE NATION and LIBERATION for sale, and also people
walking around in the lobby and elsewhere selling them.
The Nation, issue dated 6/14/53, advertised this particular
meeting and also a meeting to be held June 16th, in the
Hotel New Yorker, under the auspices of EMERGENCY CIVIL
LIBERTIES COM. Speakers, Alexander Meiklejohn, Rabbi Robert
E. Goldburg, Harvey O Connor and Dr. Corliss Lamont.
NOTE: Also included a showing of "Justice Douglas Film Inter-
view - 7:30 P.M.) Cost $2.50 - coffee and dessert. ALSO,
in this issue, an ad of the WORLD FELLOWSHIP, Conway, N.H.;
and other camps which are advertised also in the New York
Post.

There is a half-page ad in the Nation, same issue, expressing
the sympathetic view and endorsement of Atomic Scientist,
DR. HAROLD C. UREY of "The Rosenberg Sobell Trial Record"
$5.00 for eight volumes, this may be ordered by sending
the ad to "Committee To Secure Justice for Morton Sobell,
940 Broadway, New York, N.Y."
is exempt from disclosure, in its entirety, under (b)(1) as it has been classified pursuant to Executive Order 11652 as it contains information which would disclose an intelligence source. This serial bears the Classification Officers number ☐.

PHILADELPHIA ASSOCIATES,
EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications", revised and published as of 1/2/57 by the Committee on Un-American Activities, U. S. House of Representatives, documents the Emergency Civil Liberties Committee as follows:

"To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection."

A confidential informant advised 12/21/57 and 1/6/58 that LEONARD BOWIN, constitutional lawyer and legal counsel for Emergency Civil Liberties Committee, made a speech 12/20/57 accepting the Philadelphia Associates as a group to work with the national organization. This occurred at a Bill of Rights Day celebration, sponsored by the Philadelphia Associates, Emergency Civil Liberties Committee, at the Adelphia Hotel, Philadelphia.
MORNING FREIHEIT

The "Guide to Subversive Organizations and Publications, revised and published as of 1/2/57 by the Committee on Un-American Activities, U. S. House of Representatives, documents the publication "Morning Freiheit" as follows:

"Communist Yiddish daily."

(Attorney General Francis Biddle, Congressional Record, September 24, 1942, p. 7586.)

"The Freiheit has been one of the rankest organs of Communist propaganda in this country for almost a quarter of a century."

(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 25, 1944, p. 75.)
PHILADELPHIA COMMITTEE TO DEFEND
THE FOREIGN BORN

On January 13, 1956, a Confidential Informant advised that the Philadelphia Committee to Defend the Foreign Born is affiliated with the American Committee for Protection of Foreign Born, 23 West 26th Street, New York City.

The American Committee for Protection of Foreign Born has been designated by the Attorney General of the United States pursuant to Executive Order 10150.
PHILADELPHIA JEWISH CULTURAL CLUBS, aka Jewish Cultural Clubs of Philadelphia

The Philadelphia Jewish Cultural Clubs (PJCC), aka Jewish Cultural Clubs of Philadelphia, were formed in the Spring months of 1954. Actually the basis for the formation of the PJCC was laid in the Fall months of 1953 when it appeared certain that the International Workers Order (IWO) would be dissolved pursuant to an order of liquidation by the New York state courts.

SOL ROTENBERG, former Executive Director, Philadelphia Jewish People's Fraternal Order (JPFO), IWO, in late 1953 laid the groundwork for the formation of the PJCC, using as a nucleus former JPFO, IWO members. In early 1954, he provided leadership in the establishment of the PJCC, and also set up the Coordinating Committee, PJCC, composed of delegates from the Culture Clubs of the PJCC. The purpose of this committee was to provide leadership, long-range planning and coordination of the activities of the various culture clubs.

A second confidential informant on 6/21/54 advised that SOL ROTENBERG was a member of the Philadelphia City Committee, Communist Party of Eastern Pennsylvania and Delaware (CPEPD) as of June 1954; on 4/1/57 this informant advised that as of March, 1957, ROTENBERG was a member of the District Committee, CPEPD.

A third confidential informant advised on 5/8/57 and 5/23/59 that the PJCC continues to be active in Philadelphia, with the Sholem Aleichem Club being the largest, most active and aggressive in the PJCC.

The "Morning Freiheit", issue of 1/11/57, columns 4-5, identified the other clubs of the PJCC as follows:

Wynnewood Jewish Culture Club
Uptown Mutual Aid Society
North East Culture Club
Strawberry Mansion Culture Club
Southwest Culture Club
On 7/30/57, the first confidential informant mentioned above, advised that the South West Culture Club has not held meetings for several months and has probably gone out of existence. This informant also advised that the individual Culture Clubs are known by variations of the same general name, i.e., the South West Culture Club is also known as the South West Philadelphia Cultural Society, South West Cultural Farcin, etc.

The International Workers Order and the Jewish People's Fraternal Order have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The "Guide to Subversive Organizations and Publications", revised 1/2/57, prepared and released by the Committee on Un-American Activities, U.S. House of Representatives, documents the "Morning Freiheit" as follows:

"A 'Communist Yiddish daily."

(Attorney General Francis Biddle,
Congressional Record, September 24, 1942, p. 7666)

"The Freiheit has been one of the rankest organs of Communist propaganda in this country for almost a quarter of a century."

June 23, 1958

"On Saturday night, June 21, 1958, the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case sponsored an affair. There were approximately thirty-five people present including the following:

"SARAH HAMMOND and ROSE SOBELL were the guest speakers. SARAH HAMMOND ran the movie and appeared to be in charge of everything. She said they had just returned from Washington, D. C. where they had been contacting Senators and Congressmen. She mentioned particularly Congressman HOLT saying they were received very well by him.

"HAMMOND also stated that while she and ROSE SOBELL were in Washington, they appeared on the STEVE ALLISON Radio Program. She said he did not brow beat them and that he has a listening audience of 70,000 people. HAMMOND went on to say that ALLISON's sympathy was definitely with them."
HAMMOND also ran the motion picture of an interview of HELEN SODELL with a commentator by the name of WINGATE who appeared to brow beat her.

ROSE SODELL in speaking recited how her son, MORTON had been kidnapped by the U.S. Gov. and imprisoned without cause. With tears in her eyes, she told of going from place to place fighting for MORTON SODELL's release. She also mentioned she felt they were beginning to make progress because of the receptions being given them by most people.

She mentioned she had tried to make an appointment to see JOHN L. LEWIS but had been refused. ROSE said she went to LEWIS' house anyway where she saw his daughter, KATHERINE LEWIS, who managed to make an appointment with her father. ROSE said she would return to Washington, D.C. to keep this appointment. The purpose in seeing LEWIS is to solicit his help in securing the release of MORTON SODELL.

ROSE SODELL asked everyone to write their Congressman urging the release of MORTON SODELL.

They would also like to have more house parties like this to support their fight for the release of MORTON SODELL.

ARCHIE COLEMAN took up a collection. SARAH HAMMOND asked for the collection.

DORA COLEMAN's mother sold pot holders with the proceeds being donated to this affair.

On 7/10/58 furnished SA JOSEPH R. SEIBEL with a written report of a joint meeting of the San Francisco and Oakland SWP Branches which was held at San Francisco SWP Headquarters, 1145 Polk Street, San Francisco on 7/8/58. This report is set forth verbatim as follows:

"7/9/58

There was a joint meeting of the San Francisco branch and East Bay branch of the SWP at 1145 Polk St. San Francisco on July 8, 1958, the following is the agenda of that meeting:

"RALPH MARTIN was the chairman, first he said that since this was a joint meeting, there will be no minutes, only correspondence, then a report on the conference in New York by GEORGE LEVAN. First came correspondence a News release saying that the SWP will open a branch in Denver. CARL went over there for five days to discuss the branch organization, and also the support of the party to a governor candidate, next a leaflet saying that the Defense committee will have a party this Saturday. Next a letter saying that the carpenter’s union will have a rally against proposition 18 on July 10. Next RALPH said that at the social on Friday $111.70 were collected, leaving a net profit of $61.30. Then RALPH said that since we didn’t have a speaker for this month, he had called L.A. and THEODORE EDWARDS will come on July 26, to speak on Latin America today, making emphasis in Cuba and Fidel Castro. Then RALPH says, that the class on American History that was due to start on the 15th had to be postpone, because JEFF WHITE the leader of the class is sick but will begin on the 17th of this month. Then BOB MATTINGLY said that GEORGE MARCHAN, TONY BACHMAN and himself had distributed 300 Militants at the unemployment office, receiving a terrific good response among the unemployed. Next GEORGE spoke, he said: "I’ll give you a little background on the reagrement work in New York. Over in New York the situation is far as reagrement is concerned is very special, the West Coast is much more rather ahead, New York made the turn to reagrement when the party decided it was a good tactical movement. For the past year and one half, the branch committed itself to reagrement in New York the Militant plays a big role, a lot of new faces are coming along all over the nation, but this is not the work of the branch alone, we’re very active in Sobeil, School of Social Sciences (closed) series of forums, over great hope is in the American forum of Institutions who has a slow start, all this efforts don’t say too much, but it was suppressing the effects from the election."
"campaign, 15000 votes, but we just can't get in touch with all that people. After the plenum in February followed the endorsement of the National Guardian endorsing a United ticket, National Guardian sound off in this issue because they wanted to see the reaction of the people, without committing themselves, the response was very good, the decision was to make a vanguard committee to see what will happen and the response of the people, 2 of our comrades joined 2 from the National Guardian, 2 former leaders of the American Labor party, MARTELLE and some others, not much happened for months, only discussions, and reagroupment was confined to a very small group, in the committee sessions our comrades discovered that if we'd press for a couple of issues, will be the independent ticket; a pure socialist, here was the big battle finally the committee decided in the independent ticket without our language (words we use) but their own language, a conference was called, we didn't object to the words, all we were interested was the content, and we suggested a few modifications for ex; we objected to the capitalistic parties being called machines we want to call them capitalistic parties, then in New York we'd a big conference, our comrades said to call off the conference and to call for another one in another date; the Marcys group was against the conference, MARCY and JOE HANSEN had a big debate but at the end the majority was in favor of a united ticket.

"This is the first time since 1930 that we really go into action, the strategy was planned by the comrades, registrations forms, mailings, etc was prepared, the floor procedure was under TOM KARRY, everything was prepared.

"Then came lots of work in the committee

1) The composition was made of personalities from the left and many others
2) the committee tried to get the CP to go but instead the CP boycotted the committee all the way, until the last 2 weeks when JOHNSON and DAVIS came over to the committee meeting, JOHNSON spoke on the party position, they wanted a candidate for senator at the most, then they began to call names to the members of the committee telling them, that we (SWP) were taking them for a ride, also at the same time they had come asking for a united ticket, this made that the committee
"Stiffered his position, a letter of protest was going to be wrote to the daily worker, so DAVIS and JOHNSON came over trying to stop the letter. That day, the practical issues were discussed first and secondly, DAVIS was asked to give an explanation, he said that we shouldn't try to cut the Democratic party, so professor NATHIEN blew up and said, either DAVIS goes or I go, so DAVIS was expelled, and the letter was sent, the Daily Worker published it together with an article attacking the SWP. We were worried, we knew that the CP was trying to throw the conference, or will they win the election, but we knew that 100 fosterists were in disagreement with supporting the Demo party, and if the CP won the election we said that there will be a split among the members, if they lost then we'll vote for a full socialist ticket, but even for a chance to discuss with them in front of the members will be enough.

"We'd large gains in the American forum also individuals, the hate towards trotskyts have been broke and they (the CP) found out that we are people that can be work with.

"We were going to participate, but let them carry the fight for a full slate and we kept 30 speakers in case the members of the committee weakened.

"Out of 700 responses, 500 were present at the conference. Here's what happened at the conference.

"1st day, Friday afternoon a program was presented and opinions were admitted. Opening speaks by BEN DAVIS, HALLINAN, JOYCE from us, HALLINAN sure pull the trick for us, he said things that we'll like to say but would be disastrous for us, he said either support the Democratic party or the socialist. JOHNSON attacked HALLINAN in the protest. After the 1st session the sponsor committee discussed, JOHNSON wanted to blow the committee and together with DAVIS wanted a repudiation of HALLINAN's speech, and an apology to the CP. So we compromised to make an apology saying that the sentiment of HALLINAN was his own and not the committee's.

"2nd day the CP wanted to pull the same thing as before but we put in line by the chair, DAVIS said that the apology
"wasn't enough. The main debate was 'One candidate or a full slate, the independents said we shouldn't support the democratic party, at this point 4 members weakened and a reform was put in front, 20 of our speakers waited and passed their turns to speak to see what the amendment will bring, but it was defeated 2-1, McMANUS spoke then asking for a unanimous vote to the resolution, only 6 said no.

"3rd day the big question was, will the CP be there, the leaders were gone, but the members were present, the platform suprised us, more of what we expected it was wrote at the most by our comrades. the question of candidates wasn't take, one big bloque coexistence, we broke by saying our program against war and this way we prevented it for being a big issue. We pressed for candidates immediately nominations, several were made, but we didn't one, but WEISS said that we should stay to the end, candidate or not candidate, because this is the only way to reagroupment.

"Then came a period of discussion and the meeting was over, the following were present at this meeting.

Informant was interviewed regardin this report and had nothing to add to the information contained therein.

"Soon Toumawur called the meeting to order and introduced Haven who reported his activities. He reviewed his last December's trip to Minneapolis. He told the Sobell committees were enlarged there (Minneapolis) as well as in Milwaukee and Chicago - also that he had spent some time in Cleveland, Ohio, with a great deal of success.

"He reviewed the meeting in New York at which Chaplain Peter McCormack spoke - he stated that McCormack was fired from his Chaplainship at Alcatraz because of his activity in behalf of Sobell.

"Haven told of the freedom Sobell was receiving in Atlanta, Georgia - that it was like heaven to be able to talk to and even touch Helen. Possibly Sobell or some outsiders were abusing his freedom or too much talk or propaganda was going on outside, at any rate the Warden called Rose (Sobell's mother) in and told her that this arrangement wasn't necessarily permanent, that Sobell could be sent back to Alcatraz. Haven passed out literature as representative of much being printed in various papers. Copies enclosed. Haven stressed the need for money."
Irwin Glicker then reported on the successful banquet given Dr. Urey in Chicago. 150 people attended at $5.00 a plate - either a profit or a collection was taken up - anyway the money was either $466.00 or $646.00 as a result of the dinner.

No arrangements were made for a future meeting.

NATIONAL COMMITTEE TO SECURE
JUSTICE FOR MORTON SOBELL
INTERNAL SECURITY - C

A source, who has furnished reliable information in the past, on July 5, 1958, furnished information regarding a Midwestern Sobell Committee Conference held on June 29, 1953, at 1423 East 60th Street, Chicago, Illinois.

The meeting was attended by Sobell Committee members from Cleveland and Akron, Ohio; Chicago, Illinois; Milwaukee, Wisconsin; Minneapolis, Minnesota; and Detroit, Michigan.

Each Sobell Committee representative gave those assembled an oral report of Sobell activities in his respective area. Those present discussed Sobell Committee fund raising devices and tactics which might achieve mass signatures for Sobell petitions.

It was stated that many Sobell groups concentrate on getting prominent people to sign petitions and make public statements demanding the release of Morton Sobell. Indicative of this, it was stated that the Chicago Sobell Committee is attempting to secure the services of actress Gale Sondergard to speak at a Chicago Sobell Committee function which will shortly be held at Chicago, Illinois. It was stated that Miss Sondergard will, of course, endorse the release of Morton Sobell. It was announced that the Chicago Sobell Committee is attempting to organize an affair in which the Reverend Peter McCormack, former Protestant chaplain at Alcatraz Federal Prison, might participate.

Helen Sobell, wife of Morton Sobell, announced that the national Sobell organization has, in the past eight years, raised some five million dollars. Helen
Sobell said that this information should not be made public lest the Tax Department use this information to put the Sobell organization out of business.

It was stated that although Sobell affairs do not necessarily result in membership gains for the Sobell organization, such events do result in the raising of large amounts of money.

The following organizations are described in the attached appendix pages:

Chicago Council of American-Soviet Friendship
Chicago Sobell Committee
National Committee to Secure Justice for Morton Sobell in the Rosenberg Case

This memorandum is being given to you by the Federal Bureau of Investigation, and neither it nor its contents are to be distributed outside the agency to which furnished.
The "First Annual Report CCASF", an undated publication which stated that the Chicago Council of American-Soviet Friendship (CCASF) was incorporated in July, 1943. This document stated "The Council's affiliation with the National Council of American-Soviet Friendship was validated August 11 (1943). The present name was adopted to conform to standard national practice. It should be noted, however, that the Chicago Council is entirely autonomous; the government of its affairs rests exclusively in the hands of its Chicago Executive Board."

The aims of the Council were peaceful co-existence and friendship with the U.S.S.R.

A second source advised on May 1, 1958, that the CCASF continues to use its facilities for the purpose of propagandizing for international peace and cultural exchange with the U.S.S.R. This source advised that even though the CCASF claims to be autonomous, leaders of the group are frequently in contact with and its program closely follows that of the National Council of American-Soviet Friendship.

The National Council of American-Soviet Friendship has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

I. ORGANIZATION

A. Origin and Affiliation

On April 21, 1958, made available a letter dated January 22, 1958, circulated to various locals and branches of the SWP by MYRA TANNER WEISS, enclosing a six-months' report of the activities of the Minnesota Committee to Secure Justice for Morton Sobell (MCSJMS), written by JEAN BRUST, the committee's secretary. In this report JEAN BRUST states, in part, as follows:

"After the successful symposium sponsored by the Twin Cities Labor Forum last January, we looked for further areas to establish contact with C.P. elements and independents. In our search for the Sobell Committee we found the following picture: There was no existing Sobell group; there had been none for several years. Prior to that there had been activity around the Rosenberg clemency appeal and later, efforts were made to raise money for the children. At no time, however, was a committee formed with any continuity. What work had been done in the last couple of years was done exclusively by two 'Guardian' people, each working alone. One of the key 'independents' in this area has since the last presidential campaign become very friendly to us; he was the most anxious for us to step in and set up a genuine committee.

"We waited until the Convention in June before initiating the committee. We wanted to consult with others already in Sobell activity first. At the Convention some of us met Helen Sobell. Before leaving New York, Bill and I stopped at the Sobell office where we again talked to Helen and obtained a quantity..."
of literature. We also received a list of contacts from this area.

"Upon our return we got promises of cooperation from three people and a nationally known C.P. writer. We then called a meeting, having sent invitations both to individuals active previously in the Rosenberg fight and to some we had met in the regroupment work up to this point. . . .

"Our committee was formed the end of July and we went right into the Sobell campaign around the Amicus Briefs. For this work we mobilized most of the Branch. We got the National Guardian list and visited people on it. Over 200 signatures were sent in from Minnesota, a majority of them through our own forces. Nevertheless, it was clear by the end of the petition campaign that we had a nucleus of about a dozen people (half of these being our own comrades) who could be counted on for sustained committee work. It was equally clear that the organizational responsibility and 'know-how' rested on us. Proof of the standing of the party and the individual comrades is best illustrated by the fact that Julia and I were the only people even discussed as possible delegates to the recently held national conference of the Sobell Committee. (I went instead of Julia because I was able to make the necessary arrangements to go.) . . .

"During all this activity in the past period our local Cochranite has exposed himself to a lot of the Guardian crowd as (at best) a do-nothing scholastic. Now as to the CP element: We asked for and got an outright commitment from Carl Ross, the local CP head, that his party would cooperate to help make the Sharp meeting a real success. We did not keep this agreement a secret. But they clearly broke their promise by building affairs all around the date of the big meeting. None of their top people came, though a few of their second stringers showed as did a number of rank and fileers. This fact has had a real effect on the CP members of our committee. They have been friendly to us and embarrassed about their own
leadership. Haven Perkins has also witnessed this lack of support by the Stalinist tops. This man is a Sobell Committee field representative from St. Louis. He spends his time travelling for the Committee, mostly in the Mid-West. He was in the Twin Cities from December 3 -- 13. . . .

"Future possibilities seem very promising to us. Perkins during his stay here, made contact with a number of University people and thus opened up a new area of work. The Sobell Committee put Bill B. in charge of following up this work organizationally.

"In addition we have the names of many individuals throughout the state and are planning a trip to the Iron Range. This is a vitally important area with which we had had no previous contact in the last 15 or 20 years. . . ."

The "St. Paul Dispatch," St. Paul, Minnesota, a metropolitan newspaper, in its September 4, 1956, issue, reported that MYRA TANNER WEISS, at that time SWP candidate for Vice-President, was opening her national campaign tour in the Twin Cities. The article further reported that WEISS was an SWP standard-bearer in Los Angeles in elections for Mayor, Congress, and Board of Education, and in 1952, candidate for Vice-President.

On March 3, 1958, made available a letter from the Minnesota Committee to Secure Justice for Morton Sobell dated January 11, 1958, and addressed "Dear Friend." In this letter it is reported that JEAN BRUST, secretary of the Minnesota Sobell Committee, was a delegate to the National Sobell Committee Conference in New York on November 30 and December 1, 1958, and it relates that the following five-point program was adopted by the conference:

1. A national campaign shall be undertaken to secure action on behalf of MORTON SOBELL by one million Americans.
2. A great petition campaign is to be undertaken for the freeing of Morton Sobell by Executive action.

3. The National Sobell Committee and committees throughout the country will urge prominent individuals, organizations and newspapers to conduct public inquiries into the facts of the case.

4. An intensified program of legal research and investigation will be undertaken. Efforts to prevail upon the court to grant a new trial will be pressed.

5. Efforts shall be made to win Sobell's transfer from Alcatraz.

The letter then states that a meeting of the Minnesota Sobell Committee would be held January 19, 1958, for the purpose of formulating plans to carry out the above program within the Minnesota area.

1-3. On February 29, 1958, and March 29, 1958, advised that the Minnesota Committee to Secure Justice for Morton Sobell is part of the National Committee to Secure Justice for Morton Sobell.

The April 1958 issue of the newspaper entitled "That Justice Shall Be Done," which paper is published by the National Committee to Secure Justice for Morton Sobell, reports on page four the various Sobell Committees in existence. The Minneapolis Committee is listed therein and it reflects that the headquarters of the Minnesota Committee are located at 715 South Lexington Parkway, St. Paul, Minnesota, the home of Jean Brust, the committee's secretary.

be the petition chairman locally in the attempt to get the 
quota of one million signatures nationally, requesting Executive action in behalf of MORTON SOBELL.

The "Minneapolis Morning Tribune," Minneapolis,  
Minnesota, a metropolitan newspaper, on April 25, 1958, on 
page 14, reported that the Minnesota Sobell Committee would 
launch a petition campaign at a luncheon to be held April 26, 1958, at the Pioneer Room of the Andrews Hotel. The article

...advised that JEAN BRUST, in reporting a film showing of MORTON SOBELL film strips at Macalester College, St. Paul, Minnesota, on March 27, 1958, stated that the attendance was disappointing inasmuch as only seven individuals attended after an announcement of the showing had been widely circulated at the college.

Further reported that HAVEN PERKINS stated that the Minnesota Sobell Committee had a group organized at the University of Minnesota and that the group was extensively engaged in passing out literature pertaining to MORTON SOBEL. On March 19, 1958, advised that at an SWP meeting held March 6, 1958, Ulman Brust made a report on the Morton Sobell case, stating that Morton Sobell's transfer from Alcatraz to Atlanta Prison was a direct result of the pressure brought to bear on the authorities by the Committee to Secure Justice for Morton Sobell.
APPENDIX

NATIONAL COMMITTEE TO SECURE JUSTICE FOR MORTON SOBE 일

The "Guide to Subversive Organizations and Publications," revised and published as of January 2, 1957, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D. C., contains the following concerning the National Committee to Secure Justice for Morton Sobell:

"1. Following the execution of atomic spies Ethel and Julius Rosenberg in June 1953, the 'Communist' campaign assumed a different emphasis. Its major effort centered upon Morton Sobell, the Rosenberg's co-defendant. The National Committee to Secure Justice in the Rosenberg Case—a Communist front which had been conducting the campaign in the United States—was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October 1953 and then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case." National headquarters remained at 1050 6th Avenue, New York City. Co-chairmen of the new organization were Daniel Marshall and Joseph Braim. (Committee on Un-American Activities, Report, "Trial by Treason: The National Committee to Secure Justice for the Rosenbergs and Morton Sobell," August 25, 1956, pp. 118 and 120; also cited in Annual Report for 1955, House Report 1648, January 17, 1956, originally released January 11, 1956, p. 30.)"
MINNESOTA COMMITTEE FOR INDEPENDENT PROGRESSIVE POLITICAL ACTION, FORMERLY KNOWN AS PROGRESSIVE PARTY

Minneapolis, Minnesota, a self-described former member of the Communist Party, stated she was connected with the Progressive Party of Minnesota in various capacities from 1948 to 1952 and that from its inception in 1943, it was heavily infiltrated and supported by Communist Party members, and that the Communist Party played a leading role in the Progressive Party in Minnesota.

A confidential informant stated on July 6, 1955 that the Communist Party was then in effective control of the Progressive Party of Minnesota and that it was apparent to the informant that the Communist Party was able to dominate the Progressive Party of Minnesota and use it as a means of furthering Communist Party principles in Minnesota.

A confidential informant stated on April 17, 1957, that at the annual Progressive Party Conference held in Minneapolis, Minnesota, in May, 1956, a resolution was passed changing the organization's name to the Minnesota Committee for Independent Progressive Political Action. Informant said that at this conference MICHAEL FAKER was elected Chairman of this organization which informant stated consists of the staunch followers of the old Minnesota Progressive Party.

The Communist Party, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.
MINNESOTA COMMITTEE FOR PROTECTION OF FOREIGN BORN

A confidential informant advised on April 25, 1957, that the Minnesota Committee for Protection of Foreign Born (MCFFB) was organized in October, 1952, for the purpose of carrying out the aims and policies of the American Committee for Protection of Foreign Born (ACFFB). According to the informant, ALMA FOLEY, Executive Secretary of the MCFFB, and the only officer of the MCFFB, is a current member of the Communist Party. Further, informant stated the MCFFB continues to follow the policies set down by the ACFFB and is the Minnesota organization of the ACFFB, the latter organization having been designated by the Attorney General of the U. S. pursuant to Executive Order 10450.

The Communist Party, USA, has been designated by the Attorney General of the U. S. pursuant to Executive Order 10450.
"NATIONAL GUARDIAN"

The Committee on Un-American Activities, on page 12 of its report dated August 25, 1956, stated the "National Guardian" was established by the American Labor Party in 1947 as a "progressive" weekly. The report continued by stating that although the "National Guardian" denies having any affiliation with the Communist Party, it has manifested itself, from the beginning, as a virtual official propaganda arm of Soviet Russia.

The Special Committee on Un-American Activities, in their report of March 29, 1944, stated that "for years the Communists have put forth the greatest efforts to capture the entire American Labor Party throughout New York State. They succeeded in capturing the Manhattan and Brooklyn sections of the American Labor Party but outside of New York City they have been unable to win control."

The Internal Security Subcommittee of the Senate Judiciary Committee, in its report dated April 23, 1956, states that "Communist dissimulation extends into the field of political parties forming political front organizations such as the American Labor Party. The Communists are thus able to present their candidates for elective office under other than a straight Communist label."

On October 7, 1956, PETER HAWLEY, New York State Chairman, American Labor Party, publicly announced the American Labor state committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

The Communist Party has been designated by the Attorney General of the United States pursuant to Executive Order 10450.
TWIN CITIES LABOR FORUM

A confidential informant advised on October 5, 1955, that an Executive Committee Meeting of the Twin Cities Branch of the Socialist Workers Party was held at the Socialist Workers Party Headquarters, Minneapolis, Minnesota, on September 29, 1955. Informant stated that a portion of this meeting was devoted to the organizing of open forums to be sponsored by the branch.

According to the informant, it was determined at this meeting that the forums would be held at the Socialist Workers Party Headquarters the first and third Fridays of each month and that they would be referred to as the "Twin Cities Labor Forums."

A second confidential informant advised on October 5, that the Marxist viewpoint was to be presented through the Twin Cities Labor Forum.

"Those present and known to me were -

"Gene Tournour introduced Haven Perkins - He gave the meeting an account of what other Sobell Committees are doing throughout the country such as Social Affairs, door to door canvassing for signing petitions and collecting funds. Perkins informed us that there wasn't much hope for a new trial for Morton Sobell and the National Sobell Committee is concentrating all their efforts at this point on adding prominent names as speakers at socials and signers of the Executive Clemency petitions. Haven said that the Sobell Committee, nationally, has doubled in size and strength in the past 12 months. About 27 people attended this affair. Collection and charge for dinner was about $40.00. Most food & drink was donated by Committee members."

Ruth commented that not a word has been mailed from the N.O. about the nominations.

"In looking over the mail which has been sent to the Branch from the N.O. was one letter evaluating the work done by the SWP on Fund drives and how many members other radical parties have been losing. This letter bore the date June 15, 1938 but the cancelled stamp was July 10.

"It gave a run down on the ISL as being short on their $10,000 Fund drive by around $3000. Although other figures had been used in the ISL to make it look as if they had gotten more. The YSL was only able to raise less than $600 in the first few weeks of their drive to get $1450, which they did not raise, and loosing members to the SWP's youth group.

"The C.P. loss of members over the past 3 years has been so staggering that they now have less than 2700 dues paying members in the U.S. In Brooklyn alone there was less than 800 members while at one time there was over 10,000, with similar figures used for California, making about 1600, in the two strongest areas of the C.P.

"The SWP had gained a number of young members in California from the exodus of the members from the C.P. especially after Gates left the C.P. and Foster had taken over with the younger members not liking the way Foster domineers the membership. It mentioned the New York Times April break down of the C.P. as being off in its count by quite a number. Although the Times was fairly correct in making the statement that a few of the Comrades had practically all the money in their control.

"The 26 that the Times mentioned as being Leaders of the California C.P. which had left the Party there was stated as really 30 of the California leadership of the C.P. had now left, and more could be expected with the murder of Nagy and Paul Malesteer.

"The SP. and SDF was having a hard time raising money
and the ISL joining with that group would not increase its possibility of doing better.

"But while all this was going on in other groups the SWP was able to meet its Expansion Fund Drive of $20,000, in full and on time, and gaining members, sympathizers, and contacts both in the Youth group and SWP.

"The Party (SWP) being on the ballot in several states, in the past elections, had given the SWP an advantage to reach the public in their propaganda, and educate the workers to the real work the Party was doing. The coming election will increase our possibilities of reaching still greater numbers, at a time when thousands of workers are out of work, and many others working part time. The current world crisis and our analysis of it, in our magazine and paper will show that the Party has the correct program, and is the only radical Party that has consistently been right.

"The above was essence of the letter, of evaluating what the SWP has been doing, in the past few months.

"Ruth also had a letter from Myra (Weis) which was an answer to an inquiry which Ruth wanted to know if Jack Sobel, and Morton Sobell had any connection, their names being so similar. Myra said no, but the Papers (Public Press) had been also confusing the public, by the similarity of the names, every time the Sobell Committee would put on a drive to raise money they would come out with something about the SPY Jack Sobel said this or that. Once Jack Sobel making a statement that he was to help in the Trotskys household, to try to get a chance to kill Trotsky, but when they (Myra) checked with Natalia, she confirmed the fact that she never saw nor knew anything about Jack Sobel, which gave another lie to his spying activities.

"About the letter on how the SWP stands in evaluating itself with other radical parties, a question was asked
Ruth if she had written to the N.O for information of a comparision? She said sometime ago she had asked about regroupement gains for the SWP."

If information in this memo is disseminated, care must be exercised to conceal the identity of the source.

A copy of informant's written report follows:

[Redacted]
Report on a meeting held Wednesday evening June 18, 1958 at the Hotel New Yorker by the Emergency Civil Liberties Committee. About 800 people were in attendance. A "Donation" of $2.50 was requested for admittance.

Harvey O'Connor was Chairman for the evening. He began his introductory remarks by praising the Supreme Court for its favorable opinion in the Rockwell Kent passport case. O'Connor said this was the greatest victory the E.C.L.C. has won.

O'Connor then introduced the guest speaker, Alexander Meiklejohn who spoke on liberty and freedom and its meaning in the first and fifth Amendment. Meiklejohn thought that the freedom offered in the first Amendment could not be taken away by legislation. Yet the freedom these amendments protect could be abated if the common good was at stake. He defined these in a way that was somewhat confusing. If the government decreed that we must go to war, than the opposing view, against the war, should be allowed to have a hearing. If any of the four freedoms had to be curtailed for reason of the common good, they can be done only in such a way that the fundamental liberty of an individual or minority is protected. Meiklejohn thought that liberty was inherent in man but that freedom was based on man's relation to others and the state.

The next speaker was Leonard Boudin. O'Connor praised Boudin as the man responsible for the passport victory. Boudin mentioned that he has worked himself out of business in this case because now anyone can apply for a passport and go abroad. The questions about Communist activity have been deleted from passport applications. Boudin stated the victory was the result of joint efforts. He mentioned Kent, Paul Robeson, Corliss Lamont, the staff and committees of the E.C.L.C. as being in the forefront of the action. Never before, he stated, were so many engaged in a single civil rights fight. Boudin mentioned that he was in Paris last Wednesday were he talked with a group of Americans who feared they might be deported to the U.S. because of the fascist like turn of events in France. Since they had left the U.S. several years before their U.S. citizenship had lapsed and they feared economic blacklisting if they should be forced to
return. Boudin said preliminary work was begun to remedy this situation but that is was discontinued after the passport case victory. Boudin said that he thought Dulles would give in on all points before the month is out. About China, Boudin thought eventually, travel would be allowed.

The next speaker was introduced as a former educator who the witch hunt forced into the writing and lecturing field. Mr. Annette Rubinstein, after quoting poetry got down to her chores, of making the pitch for funds. The response was generally good. No announcement was made of the amount collected. Margaret Lamont donated $100.00 and pledged $400.00 more. Contributions came from the Teachers Union, friends of Morton Sobell and other individuals and friends.

Rubinstein then introduced Paul Mann, one of those subpoenaed to appear this week before the House Un-American Activities investigation into the musical and theatrical fields. He read a statement that he had given before Representative Scherer of the Committee. Its content was that the committee had no right to investigate him or the others and accused them of trying to nullify the bill of rights. Mann received a tremendous ovation from the crowd after his talk and during it when he made remarks detrimental to the committee.

Corliss Lamont was the next speaker. He glowingly related how he was soon going to travel around the world. Lamont spoke in the first people and gave himself credit for the passport victory. Lamont brought up the question of China and asked someone in the audience to volunteer to seek a passport to China. By this action legal action could be taken to win the "right" for all to travel there. Lamont mentioned that Frank Wilkerson was finishing his work in N. Y. as Coordinator of the campaign to abolish the Congressional inquisition and would be returning to California in August. Lamont praised his work and said he would be missed.

The next speaker was Rabbi Robert Goldberg of New Haven. The Rabbi spoke out against the Jenner-Butler bill in stronger fashion than the previous speakers. His theme was that civil liberties was the basis of a free society and that any encroachment
of it has to be fought by free men. He made mention of the fact that the informant has been raised to the level of a national hero and that their lies had lead to the waste of much needed brainpower.

O'Connor before closing the meeting introduced a musician subpoenaed to appear tomorrow by the House Committee. His name was given as Bill Weissberg (not certain of spelling). He related how the committee has tormented him and is seeking to thwart his career.

During the evening all the speakers severely criticized the Jenner-Butler bill and the audience was asked to write their Congressmen stating their opposition to the bill. Printed messages were distributed listing what should be said in a letter or telegram to Congressmen about the Jenner-Butler bill. Pamphlets were passed out at the end of the meeting criticizing the action of the F.B.I. Lamont earlier made reference to the fact that the F.B.I. stands for Federal Bureau of Intimidation.

On July 27, 1956, a special meeting was held at Mountain Spring Camp, Washington, New Jersey, sponsored by the Socialist Workers Party (SWP). This meeting was called in connection with the activity by the committee for the United Socialist Ticket in New York City. The presence of John C. McManus and Dr. Annette Rubinstein at this function was said to indicate a great victory for the SWP. Dr. Rubenstein is apparently known to have been a CP member for many years, and John C. McManus is connected with the "National Guardian" as well as being very active in many "peace" organizations. Approximately 120 people were present and about one third of these were young people under 25 years of age.

Dr. Rubenstein made a speech in which she stressed the need for social unity. She then described the aims of the committee for the United Socialist Ticket.

Another speech was made by John C. McManus. He stated that the recent action in Lebanon by the United States has given impetus to the activity for socialist unity. He said that many radicals who were not willing to cooperate have since changed their minds.

McManus named the candidates for the United Socialist Ticket as: Governor, John C. McManus; Lieutenant Governor, Dr. Rubenstein; Attorney General, John Scott, Jr. Also mentioned was a Negro Captain from the Merchant Marine who was the first Negro to become a Captain during World War II.

After the meeting, signatures were collected for a petition on behalf of the Sobell Committee.

Cars with the following New Jersey license numbers were noted at the camp on this date:

1Z1202, ILK 630, WA 5091, WA 1862.
